# BUILDING THE MOST EXTENSIVE TRAVEL NETWORK IN SOUTH AMERICA

# ENJOY OUR UNBEATABLE IN-FLIGHT SERVICE!

## Premium Business Class:

- Seats may be lowered to a 100% horizontal position into a bed 23 inches wide by 73 inches long.
- The distance between seats has increased to 74 inches, an additional 32% increase in space per passenger, very much above the standard provided by other airlines.
- Each seat includes a high-resolution 15,4 inch screen and the free-use of an audio-video system.
- A menu specially designed by celebrity chefs featuring regional South American natural products.

## Premium Economy Class:

- An exclusive class, with preferential treatment for only 12 people.
- It has leather, central seats whose backs become a table specially designed for a laptop so you can enjoy more space and comfort.
- More space to recline and more space between seats for maximum comfort.

## Economy Class:

- Seats with an ergonomic design and adjustable headrest. The distance between seats is 32 inches.
- Each seat has a high-definition screen measuring 8.9 inches and an audio-video system which can be used at the passenger's discretion.
- With a choice of 47 films (8 premieres and 39 blockbusters), 123 channels with series, 750 CDs and 20 games.

## Gateway from Holland to South America:

Daily flights from Amsterdam to Madrid operated by Iberia, connecting with our long haul network to Santiago de Chile, Lima and Guayaquil/Quito

## Network in South America:

LAN is the expert of South America, offering the most extensive network: more than 70 destinations including domestic flights within Chile, Peru, Argentina, Ecuador and Colombia.

## Flights available at advantageous rates with the South America Airpass:

- Applies to flights within South America on any aircraft operated by LAN Airlines, for all passengers not residing in South America holding an international ticket to South America on any oneworld carrier.
- Flights with LAN on our modern Airbus and Boeing fleet with an average age of less than 6 years.
